

Speedy Sheds Select Series

2-Year Limited Warranty

Coverage

Speedy Sheds (“the Manufacturer”) warrants that its Select Series structures are free from defects in materials and workmanship under normal use and service for a period of two (2) years from the date of delivery to the original purchaser (“the Customer”). Siding, flooring, and roofing materials are subject to separate manufacturer warranties.

Material Defects

Defects in materials, including roofing, siding, and doors, are covered under the respective manufacturer’s warranty.

Exclusions

This warranty does not cover:

- Normal wear and tear or inherent wood characteristics (e.g., cracking, warping).
- Damages caused by improper maintenance, misuse, neglect, abuse, modifications, or alterations.
- Acts of nature, accidents, vandalism, or failure to follow installation guidelines.
- Discounted buildings sold "as-is," used, or repossessed units.

Ground Conditions

The warranty does not cover damages resulting from unstable ground or improper foundation conditions. Customers are responsible for ensuring the building is installed on a stable, level foundation.

Workmanship and Installation

Speedy Sheds makes no warranty for work performed by anyone other than Speedy Sheds or its approved subcontractors.

Electrical Packages

While Speedy Sheds ensures the quality of optional electrical components, installation and connection to power sources remain the customer's responsibility. Issues related to compliance or electrical systems must be handled by a licensed electrician.

Warranty Claims

Customers must initiate a warranty claim within 30 days of discovering a defect by contacting Speedy Sheds. Claims must include:

- A detailed description of the issue.
- Supporting images.
- Proof of purchase.

If validated, Speedy Sheds will repair or replace the defective part. The repair cost shall not exceed the structure's original purchase price.

Transferability

This warranty is non-transferable and applies only to the original purchaser.

Limitations of Liability

The company's liability is limited to the repair or replacement of defective parts. Speedy Sheds is not liable for indirect, incidental, special, or consequential damages.

Re-Leveling

Natural settling may occur over time. Re-leveling is not covered under this warranty but can be provided for a service fee.
